

## Lightfair International 2019

May 21-23, 2019  
Philadelphia, PA  
Booth 100

Prolume, in conjunction with parent company, will be returning to exhibit at the 2019 Lightfair International in Philadelphia, PA. This 3-day event will provide Prolume the opportunity to showcase their latest product offering to the LED marketplace and to converse with our channel partners, customers and new prospects. With a number of new products to introduce, the company is looking forward to sharing their latest innovative low voltage solutions.

Feel free to contact Mr. Mathew Michell ([mmichell@prolumeled.com](mailto:mmichell@prolumeled.com)) or Ms. Bianca Leonard ([bleonard@prolumeled.com](mailto:bleonard@prolumeled.com)) in advance to schedule a booth appointment to meet and discuss your specific needs.
